Senior Draft Analysts Pete and Nate evaluate and grade off-season personnel changes on each team.

Team	Draft		FA/Trades		Total Grade	Pete's Draft Grade Analysis
	Pete	Nate	Pete	Nate		
1 	A+	----	----	----	100.0	Stole the best S Starks at #27 then the best pass rusher, falling Edge Green in 2nd; drafted two developmental OT's in 11 player haul; lucky, but brilliant.
1 	A+	----	----	----	100.0	Nail arguably the best player in the draft; traded two 3rd rounders in move up for QB; experts laud 5 other great value picks that were big needs.
1 	A+	----	----	----	100.0	Crafted masterful highway robbery of Jags with Hunter trade parlayed into top DL Mason at #5; QB Gabriel a reach but Sanders is insurance; great draft.
4 	B+	----	----	----	89.5	Coach Gannon fortifies trenches with six picks on defense. DL's Nolen/Burch in 1st/3rd plug middle well. CB Johnson at #47 could be the steal of the draft.
4 	B+	----	----	----	89.5	Pack gets very good value with #23 dropping Texas WR Golden, then IOL with Tackle experience Belton in a decent overall draft.
4 	B+	----	----	----	89.5	11-player treasure hunt with offensive skill position slant & 3 needed offensive linemen taken; 6 picks in first 4 rounds; good haul for weak roster.
4 	B+	----	----	----	89.5	Massive 11-player heist with 8 on offense led by RB Jeanty & 3 receivers; plus an offensive tackle & guard in the 3rd round; good work here.
4 	B+	----	----	----	89.5	Stole OT Simmons (was best OT in draft before injury) at #32 after trading down for him for an extra 5th; got some front-7 help as DL Jones is aging.
4 	B+	----	----	----	89.5	Landed three cornerbacks & three front seven prospects in a nine player draft. This should fill 3 areas the Bills were considered weak. A decent draft.
4 	B+	----	----	----	89.5	Minimized 6-player draft was maximized by fleecing the Falcons in 1st round trade down 20 spots getting the Falcons 1st next year in 5-pick trade deal.
4 	B+	----	----	----	89.5	11 picks highlighted by needed guard in 1st & stole safety Emmanwori in 2nd; QB Milroe good value in 3rd; loved the first 4 picks.
4 	B+	----	----	----	89.5	Stood tall denying Giants offer nabbing QB Ward then supporting cast of a guard, RB, TE, and 2 WR's; success.
13 	B	----	----	----	86.0	Love the 2st 3 picks TE Loveland, WR Burden, OT Trapilo as Ben Johnson seeks help for young QB Williams. 5 other players added uninspiring.
13 	B	----	----	----	86.0	Stole injury prone stud LB Campbell in 1st; sneaky under the radar DT Robinson (DT) in 4th; deep 10-player haul for GM Rosenhaus.
13 	B	----	----	----	86.0	Grabbed three quality top players at OT Membou, TE Taylor & CB Thomas; nothing special beyond that but a decent draft.
13 	B	----	----	----	86.0	9 player hiest yields value at #44 Edge Ezeiruaku, then CB Revel at #76; over drafted #12 IOL Booker & should have traded down then taken him.
17 	B-	----	----	----	82.5	Maximized 5 player draft with OT Conerly in first round to protect QB Daniels; stole CB Amos at #61 in 2nd round; not bad given limited picks.
17 	B-	----	----	----	82.5	8-player haul includes a bit of a steal with TE Warren falling to them at #14 hole; weak O-Line gets only a 4th round OT; QB Leonard worth a shot.
19 	C+	----	----	----	79.0	somewhat head scratching 5-player (of 7 picks) defensive draft for a team needing WR (took none) & QB help (6th round); love RB Johnson in 3rd.
19 	C+	----	----	----	79.0	Weakening roster gets a franchise left tackle and QB to fill hole left by the major Carr injury; otherwise a fairly vanilla draft.
19 	C+	----	----	----	79.0	9-player hail led by offensive skill positions and defensive line, two weaknesses; not sure about a RB in the second round given overall needs.
19 	C+	----	----	----	79.0	Surprise pick CB Barron at #20 at least was value & is a Mahomes/Herbert stopper pick; RB Harvey in 2nd was a bit of a reach.
19 	C+	----	----	----	79.0	Walker was great value at #15, then massive overpay in Pierce trade, but get needed pass rush; only 5 picks and 4th round Safety Bowman can't tackle.
19 	C+	----	----	----	79.0	11-player heist including 5 defensive players in the first 5 picks; nothing stands out but a good haul for a team that lost 17 free agents.
19 	C+	----	----	----	79.0	Thin 5-player draft highlighted by a very cagey pick at #24 in Donovan Jackson a versatile talented tackle/guard from Ohio State.
19 	C+	----	----	----	79.0	No 1st rounder; 2nd round Erserly may be a Guard in the NFL; decent WR pickups for QB Stroud; mayonnaise sandwich draft overall.
19 	C+	----	----	----	79.0	Decent volume 9-player draft but got fleeced by Cleveland in reade up for fenom Hunter who won't play 2-way full time, more like 15-20% on Defense.
19 	C+	----	----	----	79.0	A somewhat sleepy 8-player haul w/ top rated WR McMillan at #8 who siezes up against top competition & could bust. Edge Scourton godd value at #51.
29 	C	----	----	----	75.5	Minimal 6-player draft uninspiring as #17 round 1 pick Steward has production questions; we do like the multiple IOL selections...so does QB
29 	C	----	----	----	75.5	Good value with experienced IOL Frazier in 5th; but spent the first 3 rounds drafting players too early; not big on this draft overall.
29 	C	----	----	----	75.5	Overdrafted DT grant & G Savaiinaea in first 2 rounds; emphasized DT by taking three for weak d-line; drafted need except no offensive tackle.
32 	C-	----	----	----	72.0	No clue why a team leaded at WR & having many defensive needs takes a WR (Egbuka) in round 1; 6-pick mayonnaise sandwich draft.
