	PICK	ODDS	BET MADE	BET AMOUNT	TO WIN	COMMENTARY	RESULT
		+5000	Bills & 49ers in Super Bowl	\$25	\$1,250	Buffalo made efforts to bolster it's fladgling pass rush; needs a better run game (#19); 49ers had an injury plagued '20 and has a deep, talented roster	-\$25
		+150	Division Winner	\$100	\$150	Maybe it's a classic sucker "trendy" bet but a great O-line, run game and improved secondary ('20 weakness)	-\$100
		+400	Division Winner	\$100	\$400	Philly regressing; Washington-no team has repeated since 2004; Dallas-don't trust them; Giants-great offseason and the odds are just too juicy.	-\$100
		+130	To Make Playoffs	\$390	\$508	Seven teams now make the playoffs and they are due to avoid recent massive injuries so they have a shot.	-\$390
		+135	To Make Playoffs	\$50	\$68	Well coached team with a top defense improves QB (Fitzpatrick) and WR (Samuel) deficiencies; needs a better run game though	-\$50
WAGER TYPE	PICK	ODDS	BET MADE	BET AMOUNT	TO WIN	COMMENTARY	RESULT
		-140	Over 9	\$140	\$100	A decent Draft and good free agency haul plus some Covid opt out-returns; underrated coach; this is a good bounce back team play.	\$100
		-120	Over 9	\$200	\$167	Snake bit late game losers have a much improved O-line, the key to help '20 rookie sensation QB Herbert; hesitation is a new coach.	\$0
		-110	Over 9 1/2	\$500	\$455	Counting on new QB Wentz here and a loss at Left Tackle, otherwise a solid, well-coached team. This is a weak division & Titans have a poor defense.	-\$500

OVER UNDER		-110	Over 12	\$750	\$682	Some decent O-line upgrades although early continuity is a concern. Average defense is good enough. Worst case push - will they really lose 6 games?	\$0
OVER UNDER		-120	Over 10	\$300	\$250	Coming off 5-11 injury decimated season; solid team if they get average QB play; comeback team of year and our Super Bowl team from the NFC.	\$0
OVER UNDER		-110	Over 10	\$200	\$182	We liked it so much we bet it again and at lower line juice.	\$0
OVER UNDER		+100	Under 9	\$300	\$300	Steelers lost all 5 offensive linemen then proceeded to draft a running back; also will feel loss of top pass rusher Dupree.	\$0
OVER UNDER		-110	Under 4	\$330	\$300	Quarterback Watson is knee deep in legal trouble and the rest of the stars on this team are gone except LT Tunsil. This team is the NFL's Titanic.	\$0
OVER UNDER		-115	Under 7.5	\$115	\$100	Some good offseason pickups and RB McCaffery returns, but I don't trust new QB Darnold, the O-line or defense.	\$100
OVER UNDER		-115	Under 6.5	\$230	\$200	The bengals made no significant moves to protect Burrow. The 24th ranked defense lost DL's Atkins and Lawson and CB Jackson III.	-\$100
WAGER TYPE	PICK	ODDS	BET MADE	BET AMOUNT	TO WIN	COMMENTARY	RESULT
		+1100	Fewest Points Allowed	\$25	\$275	Washington finished 3rd in 2020; scary good defense and well coached	-\$25
		+1800	Most Sacks - Chase Young	\$25	\$450	Young was tied for 26th in 2020 and is due to rise; decent odds at 18-1	-\$25

		+800	Comeback POY: Christian McCaffrey	\$20	\$160	Led the league in yards from scrimmage in '19 (2,392), then ankle, shoulder and quad injuries in '20. High upside in '21.	-\$25
		+600	Cam Newton Next Team: Houston	\$20	\$120	Houston seems like the only team he can go to where he can start.	-\$20
		-130	Drew Lock takes Broncos first snap	\$65	\$50	Signs point to Lock starting and Broncos need to see what their younger QB has.	-\$65
		+200	Falcons division finish: 3rd place	\$50	\$100	They won't finish first and last is doubtful; 3rd seems right.	\$100
		-350	Lions division finish: 4th place	\$300	\$86	Lions are in full overhaul with a new coach and few stars. We'll pay the juice.	\$86
		+175	Chargers division finish: 2nd	\$50	\$88	Won't finish first barring a Mahomes injury; we are down on Vegas so they simply must beat out Denver for 2nd	-\$50
		-120	Kyle Pitts (Atl TE) TD's: Over 7	\$100	\$83	Pitts was a red zone nightmare to cover in college; Ryan is still a quality QB; Julio Jones is no longer a Falcon	-\$100
		-120	Hunter Henry (NE TE) under 560.5 yards	\$60	\$50	New England spreads the ball around; TE Smith to compete with and Henry is very injury prone and out weeks 1 and 2	-\$60
		Pete: Bet Total/To Win:		\$4,445	\$6,574		-\$1,249
