* "New Playoff Team" is a team that you predict will make the playoffs this year that didn't make the playoffs last year. * "2025 Playoff Team Miss in 2026" is a team that made the playoffs last year that you predict won't make it this year. * "Team Wins Wildcard Weekend Game" - #1 seeds with a bye are a wrong answer, team must be a Wild Card. * "Team Loses 1st Playoff Game" is a team that makes the playoffs and loses their first game. * "Least Improved Record" is the team that has the lowest number of wins compared to last year - negative numbers count if a team has less wins than prior year. * "Most Improved Record" is the team that has the highest number of wins compared to last year. * "Team to Win 8 or 9 Games" is your prediction of a team that will win either 8 or 9 games this year. * Division With Most Total Wins: Add up all wins for 4 teams in a division together. * Team Beats Baltimore: Look at their 2026 schedule and pick a team to beat them in the 2026 regular season. * Coach Fired: First coach fired is 100 points awarded, second fired is 90, third fired-80, etc. * "Favored Team Won't Win it's Division": Pick a team favored in their division that won't win it. Options are: Kansas City, Buffalo, Baltimore, Houston, Philadelphia, LA Rams, Detroit, Tampa Bay. * "Team Not Favored Wins it's Division": Pick a team other than these to win their division: Kansas City, Buffalo, Baltimore, Houston, Philadelphia, LA Rams, Detroit, Tampa Bay.
