Fractions reflect when some champions split the contest pot with multiple winners and were awarded a % of that championship.

Some totals may not add up to whole numbers due to rounding in numbers adding up to a total.

Fantasy Pool Quotes

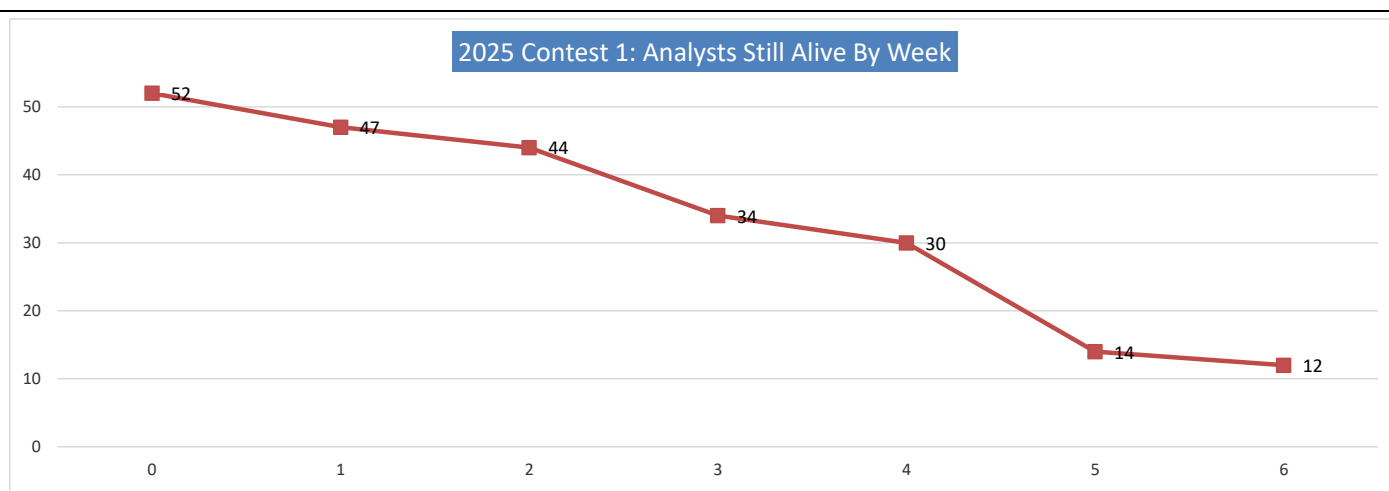

"We don't entertain any excuses for late entries into our betting contests to avoid having to determine which excuses are good enough" - John Murray, Westgate Sportsbook, Las Vegas, NV.

"Peter, when you run a third contest in one year, it seems to diminish it's novelty" - Survivor Contest analyst Evan Hewey

"Dead silence is the sound I usually hear when I tell a Survivor analyst who's pick was late that they should consider putting their pick in on Tuesday" - Pete Croteau

"People who discontinue participating in Survivor pools seem to be people who did poorly previously and don't seem to realize that the 30% skill and strategy I estimate is involved makes the pool so intriguing...and the 70% luck / bad luck involved does not make them a bad gambler" - Pete Croteau.
