		25-1	Exact Super Bowl Matchup	\$25	\$625	No team has returned to the Super Bowl since the 2004 Patriots, sell the Chiefs, buy an improved Ravens defense.	TBD
		14-1	Win Super Bowl	\$50	\$700	A March bet based on Brady staying in New England. Well, they are still well coached enough to get there.	TBD
		+160	Division Winner	\$150	\$240	While concerned about a revamped secondary in a complex defense to learn, the line was too juicy.	TBD
		+160	Division Winner	\$150	\$240	Will still have to fight a fiesty Patriots team but the talent in Buffalo is better and Bills are well coached.	TBD

TEAM OVER-UNDER WINS							
WAGER TYPE	PICK	ODDS	MY BET	BET AMOUNT	TO WIN	COMMENTARY	RESULT
		-121	Over 9	\$200	\$166	They won 8 games in 2019 without Big Ben and some of the worst QB play we've seen in 20 years. Most sacks last 3 years and improved secondary.	TBD

OVER UNDER		+107	Under 4 1/2	\$150	\$161	Flushed a room full of star players the last 3 years and team unity could fade fast. We see 4-12.	TBD
OVER UNDER		+107	Under 7 1/2	\$50	\$54	The defense hasn't been the same since coordinator Fangio left for Denver and the offense relies on Trubisky with no weapons in skill	TBD
OVER UNDER		-121	Under 6 1/2	\$300	\$249	27th ranked roster, a new coach, new system, 3 new offensive linemen, depleted cornerbacks, 2nd toughest NFL schedule, 9th youngest team.	TBD
OVER UNDER		-121	Over 8 1/2	\$121	\$100	A full season with star running back Cook should bolster offense and teams in their division are very beatable.	TBD
OVER UNDER		-115	Under 7 1/2	\$200	\$174	Coach Patricia had 6 wins in 2018 and 3 in 2019 so they will have to prove to me they can win 8. This should push at worst. I bet it as soon as it hit 7.	TBD
OVER UNDER		-110	Over 7 1/2	\$330	\$300	They are due to avoid massive injuries suffere the last 3 years and their 6th ranked defense should be even better.	TBD
OVER UNDER		-110	Under 6	\$55	\$50	They made big improvements on defense in free agency, but we're not buying their late 2019 improvement enough to think they'll win 7 games.	TBD
OVER UNDER		+103	Under 8	\$75	\$77	The Rams have decent receiver weapons for QB Goff & defensive stars sprinkled in but salary cap issues makes their roster thin when injuries	TBD
OVER UNDER		-125	Over 8	\$200	\$160	New QB Rivers should cut down on interceptions behind a top offensive line and a running game. The defense (#16) should regain it's #11 2018 form.	TBD

TEAM/PLAYER FUTURES PROPOSITIONS

WAGER TYPE	PICK	ODDS	MY BET	BET AMOUNT	TO WIN	COMMENTARY	RESULT
		14-1	Season Team Sacks Leader	\$25	\$350	The Steelers were ranked #1 in sacks three years in a row and the secondary is much better with cornerback Joe Haden & safety Mica Fitzpatrick aboard.	TBD
		-125	More Wins Than Giants	\$50	\$40	This is more a bet on the Giants starting slow with new coaches, new system and a very young team than a bet on the Jets being very good.	TBD

		+750	Least Wins in NFL	\$25	\$188	A new coach with no high level NFL experience, veterans shed, weak offensive line, 31st ranked defense in 2019 without stud Keukly in 2020.	TBD
		+190	To Finish 2nd in Division	\$50	\$95	This is a bet on Buffalo's continued improvement including adding free agent WR Diggs & the juicy +190 odds.	TBD
		+500	To Finish 3rd in Division	\$50	\$250	We just liked the +500 odds here and are banking on Atlanta finishing second in the division with New Orleans first.	TBD
		14-1	Season Rushing Leader	\$20	\$280	He finished 8th in rushing in 2019 and did so in only 13 games. On a per game rushing yards basis he was 3rd...and he did this as a rookie.	TBD
		-110	Jedy Under 750 1/2 Season Yards	\$25	\$23	We don't see the quarterback play being at a high level in 2020 with Drew Lock and a weak offensive line for Jedy to do this well.	TBD
		-110	Godwin Under 1250 1/2 Season Yards	\$110	\$100	While he amassed over 1,300 yards in 2019, Brady throws short & will distribute yards to Gronk and Evans.	TBD
		20-1	Frank Reich Coach of the Year	\$25	\$500	The Colts defense should be like the 2018 (11th) version & QB Rivers should do well behind a top line. A mediocre division: 10-6 up from 5-11 should do	TBD
		33-1	Mayfield Comeback Player of the Year	\$25	\$825	Usually uninjured players don't win this award, but the odds were too juicy.	TBD
		10-1	Bosa Defensive Player of the Year	\$20	\$200	Bosa had a monster rookie season in 2019 and should only get better with a full season under his belt.	TBD
Bet/To Win:				\$3,321	\$7,210
